Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. - Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.

SPECIAL FILMING CONDITIONS
HOLMBY PARK

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

This is a residential neighborhood with large houses and mansions. Area streets are tree-lined and winding with limited parking and visibility. The area is bounded by Sunset Boulevard, Hilgard Avenue, Warner Avenue, Wilshire Boulevard and The Los Angeles Country Club. The following Special Filming Conditions have been established to mitigate the concerns of the local residents and patrons of Holmby Park.

- **Affected residents within 500' of all filming activity and within 150' of all equipment parking must be notified 2 days in advance of the first filming date or the first day of any substantial set preparation, unless later notification is approved by the Los Angeles Film Office.** *Permit requests must be submitted to FilmL.A. at least three (3) working days in advance.*

- **Equipment parking and posting will be limited to the following areas**

    1. Either sides of Comstock Avenue between Club View Drive and Wilshire Boulevard
    2. East side of Comstock Avenue from Club View Drive going North 700 feet (1/2 of block only).
    3. For catering truck only: 100 ft on Club View Drive, just east of Beverly Glen Boulevard in front of the area approved for catering.

- **Equipment vehicles shall observe all posted parking restrictions (i.e. red curbs and no parking signs)**

- **Vehicles may not have engines running while parked.**

- **No double parking on Comstock Avenue. All vehicles must pull into a parking space at curbside.**

- **All trailers/motor homes must be run off one central generator.**

- **LAPD officer required for public safety.**

- **Cast and crew may not park on area streets.** Off-street parking must be provided for personal vehicles.

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.
